WiFi+Bluetooth RGBWW LED Bulb

Safety Instructions

Read and follow all the safety instructions:

- The bulb is not waterproof. Avoid exposing it to splashing or dripping water.
- The operating temperature should be within -10° to 40°C (14° to 104°F).
- The bulb's internal light source is unfixable. If it breaks, you must replace the entire bulb.
- Do not allow children to install the bulb alone.
- Do not install the bulb with a dimming driver. Bulb dims via app control and will not operate with a dimmer switch.
- Do not install the bulb in totally enclosed luminaries.
- Avoid installing the bulb near heat sources or in damp locations.
- Avoid installing the bulb near potentially dangerous sources (e.g., candles, liquid-filled objects).
