IMPORTANT SAFETY INSTRUCTIONS

When using products, basic precautions should always be practiced including the following:

Read and follow all the safety instructions:

- The bulb is not waterproof, Avoid exposing it to splashing or dripping water.
- All safety messages will alert you to know what the potential hazard is, tell you how to reduce the chance of injury, and let you know what can happen if the instructions are not followed.
- The operating temperature should be within -20°C to 25°C (-4°F to 77°F).
- This product is intended for indoor use (ambient temperature: 25°C). Do not use it in damp locations such as bathrooms or outdoors. This product is not waterproof, and improper use may result in poor insulation, leading to electric shock.
- The bulb's internal light source is unfixable. If it breaks, you must replace the entire bulb.
- Do not allow children to install the bulb alone.
- Do not install the bulb with a dimming driver.
- Avoid installing the bulb near heat sources.
- Avoid installing the bulb near potentially dangerous sources (eg, candles, liquid-filled-objects).
- CAUTION-The product is not a toy. Children and the disabled should use it under adult supervision.

SAVE THESE INSTRUCTIONS
